# The Mother's Day Classic is back in 2024 and it will be more exciting than ever!

The Women in Super Mother's Day Classic is returning once again to a location near you! On Sunday 12 May 2024, join us at one of our 70 events across Australia.

This year, we're going one step further. We've made it our mission to stop both breast and ovarian cancers in their tracks.

Register yourself or sign up with a team of friends, family, colleagues, school mates or your local community group and start your Mother's Day with purpose.

Come together and help women forever.

## See you on Sunday 12 May.
