

School Fundraising Ideas

Here's our guide to easy ideas for your school fundraising!

- ① **Bake Sale:** Ask a few keen bakers in your school community to cook up sweets and goodies to sell at a cake stall.
- ② **Host a Mother's Day breakfast:** During the week of Mother's Day, why not host a fun, pink-themed breakfast and collect donations for breast and/or ovarian cancer research. Think berry smoothies, pink velvet pancakes... the possibilities are endless!
- ③ **Host a sports day fundraiser:** Encourage your students to get active for breast and ovarian cancer research by organising a sports day fundraiser. It's time to dust off the hula hoops and tug of war ropes!
- ④ **Go pink or teal with a casual clothes day:** Host a pink or teal themed casual clothes day to raise awareness and funds with a gold coin donation.
- ⑤ **Host a Dance:** Get your dancing shoes on! Organise and invite your students to a school dance with entry fees contributing to your Mother's Day Classic fundraising efforts.
- ⑥ **Get competitive with a walk/run challenge:** Encourage healthy competition amongst students by getting them to set themselves a distance goal in the lead up to Mother's Day and pledge support. You can also measure your kilometers on the Mother's Day Classic dashboard.

If you require an Authority to Fundraise letter, kindly email:
